To Whom It May Concern,

I am writing to provide a professional referral for Horizon Pest Control, who have serviced our GMP regulated, third party audited facility for the past six years. During this time, Horizon Pest Control has consistently demonstrated strong technical competency, thorough documentation practices, and full alignment with GMP, GFSI, and third-party audit expectations. Their team provides timely service, clear communication, and detailed reporting that supports our compliance programs, including:

- Comprehensive Integrated Pest Management services
- Proper trend analysis and corrective action recommendations
- Accurate and audit-ready documentation
- Prompt response to facility needs and emergent issues

Their professionalism and reliability have contributed positively to our site's overall audit readiness and environmental control.

Based on our experience with them, we confidently recommend Horizon Pest Control as a trusted and compliant pest management provider for any facility operating under GMP or third-party auditing schemes.

If you require additional information, please feel free to contact me at 973-523-6551 or at frank@americancomb.com.

Sincerely,

Frank Bachrach, President
American Comb Corp.
